**Goldenberg's**  
Seventh and K Streets  
"The Dependable Store"

Folks who understand the policy that dominates this store—and its system of underselling—never miss the Thursday Bargain Sale that comes regularly with each week. Every department in the house is called upon for unusual values on this day—and responds in a way that never fails to bring a surge of buyers to every counter. Our aim is to make each succeeding Thursday Bargain Sale bigger and better—and this calls for extra effort and the providing of better values all the time. How well we've succeeded for tomorrow's sale you can best judge by reading the important news that follows. Not distorted facts or exaggerated claims of fictitious values—but truthful statements of wanted merchandise for very much less than you will be asked elsewhere.
